# The Friend Zone

👁 95 ✓ 13 ★ 14

## Chapter 1 by Brock Thompson

The apparently imaginary romance was killed when she said "I love you like a brother."

## Chapter 2 by Andrew Hartmann

We had been friends since 2nd grade. I've always had a secret crush on her. Until now, middle of the my Sophomore year, I try to ask her out and what does she say? I love you like a brother? What does that even mean? So if we dated, it would feel like siblings going out? Well, I don't know what to do now.

## Chapter 3 by David Raymond

I really didn't know what to do so I asked my Best Friend.

"Damn, Like a brother, that's what she said?" He asked more questions than I had answers to.

"Yes, that's what she said."

"You know what this means right?"

"No, I don't, that's why I asked you Dumbass!"

"What does that mean?"

"It means that you never have a chance to get some of that, you are friends only, nothing more."

I still wasn't sure what Friendzoned meant, but I knew without a doubt that friends only meant my doom, the end of the world, the breaking of my heart.

#### Chapter 4 by Marah Jacoby

But what if i could...just maybe...make her change her mind?

I mean how could she possibly say no to such a sweet, caring guy like me?

I decided that I was not going to give up on her, I was going to get out of the "friend zone" somehow.

...

The next few days were torture. I tried not to lose it when i saw her walking around campus with Cameron Maples, the head of the soccer team. I thought to myself how am i ever going to compete with him?

The worse thing was Cameron didn't deserve her. He was the definition of jerk. he played girls like keys on a piano.

I don't think i could bear seeing her get played by him.

I kept replaying what she had said to me in my mind, over and over again and couldn't stop thinking about it. My Best Friend, Joey was starting to notice something was up.

"Dude? You're not thinking about that friend zone thing again are you?"

"It's been on my mind all week bro, its like I can't leave it alone"

"Well you better give it a rest, I heard her and that Cameron guy are getting pretty serious"

Such a great help Joey was sometimes. I guess I'm just going to have to figure this out on my own.

If I was going to win over the girl of my dreams I needed a plan...

#### Chapter 5 by Anηie Leigh (GONE...)

The next time I saw her, she was kissing him; like *seriously* making out behind the lockers.

I felt my face flush, and I knew I had to do something fast. Every time a girl went out with

Cameron Maples, they either ended up heart broken or pregnant; both were not very good case-scenarios.

I decided to mask my phone number and make sure I didn't break up the kiss.

I called her. Sure enough,

I hung up. That was enough of a distraction.

As I went back to class, I thought of a *plan*.  
I was going to get Chrissy Steinfeld, *no matter what*.
